

Martha A. Madden is President of mMadden Associates, LLC for six years, an executive consultant firm with offices in Washington, DC and New Orleans, Louisiana. Her areas of expertise include: environmental management, energy, health, education, and development. She was Corporate Vice President of Business Development for multi-billion dollar firms throughout the country. Madden has been Special Assistant at the U.S. Department of Energy and is the former Secretary of the Louisiana Department of Environmental Quality. She

was formally on faculty at Tulane University Medical Center's School of Public Health and Tropical Medicine as Clinical Associate Professor. Madden is a Charter member of the National Center of Minority Health & Health Disparities (NCMHD) Society of Fellows and Scholars at NIH. In addition to her 20 years of experience in the environmental field, she served on two Homeland Security Task Forces at the Center for Strategic & International Studies, combating chemical, biological and radiological terrorism and cyber threats. Louisiana inducted Madden into the Hall of Fame at the Louisiana Center for Women and Government. Madden has a B.S. and M.A. from Southern Methodist University, Dallas, Texas and advanced graduate studies at Stanford University and was conferred an honorary doctorate of humane letters from Northwestern State University of Louisiana.
